Understanding Retirement and Social Security Benefits

As a school system employee, it’s important to know whether you’re contributing to Social Security. For Ware County Schools, Social Security taxes are being withheld from your paycheck, and you are earning credits toward federal retirement, disability, or survivor benefits under Title II of the Social Security Act. To qualify for these benefits, most people need 40 credits (roughly 10 years of work).

You are also enrolled in a pension/retirement plan: either TRS, PSERS, or ERS. If you’re unsure of your status, review your paycheck or reach out to your Payroll Department for more information. You can find more information about the retirement plans here:

- **TRS:** <https://www.trsga.com/>
- **PSERS:** <https://www.ers.ga.gov/public-school-employeesretirement-system>

Medical Coverage

State Health Benefit Plan (SHBP)

Ware County Schools participates in the State Health Benefit Plan. Refer to the Active Member Decision Guide for complete details.

SHBP Employer Contribution

The district funds a significant portion of your 2026 health insurance premiums: **\$1,885 per month / \$22,620 per year**. This financial contribution allows you to receive quality medical plan coverage at a competitive cost.

Preventive care is covered at 100% for all plan options.

Anthem	
HRA Gold	The Gold, Silver, and Bronze HRA plans have different HRA credits, deductibles, coinsurance levels, and out-of-pocket limits. Most services are subject to a deductible. Then you pay coinsurance up to the out-of-pocket maximum. For prescription drugs, you pay a percentage of the retail cost. The HRA plans include a SHBP-funded Health Reimbursement Account (HRA) to provide first-dollar medical and pharmacy expenses. Unused HRA credits roll over to future years.
HMO	This plan has the lowest deductible and provides in-network coverage only. Some services, such as office visits, ER and prescription drugs, are covered at 100% after a copay. For most other services, you are responsible for a deductible and coinsurance until you meet your out-of-pocket maximum.
UnitedHealthcare	
HMO	Same benefits as the Anthem HMO, but utilizes the UnitedHealthcare provider network.
High Deductible Health Plan (HDHP)	Lowest premiums, highest deductible and out-of-pocket maximum. All services including pharmacy are subject to deductible and coinsurance. A Health Savings Account (HSA) is available with this plan.

Pharmacy Information

- CVS Caremark administers the pharmacy benefits for the medical plan options.
- You are not limited to CVS pharmacies for your retail prescription needs. The CVS Caremark pharmacy network is extensive, and participating pharmacy information is available (<https://info.caremark.com/oe/shbp>).
- For your convenience, you may purchase a 90-day supply via retail at participating in-network pharmacies.
- Certain drug costs are waived if SHBP is primary and you actively participate in the Coronary Artery Disease (CAD), Diabetes, Asthma Disease Management Programs and/or Medication for Addiction Treatment Programs

Online Resources

Below are the plan websites and links to locate participating network providers.

www.anthem.com/shbp

Select "Find Care" from the Main Menu and then follow instructions to find a doctor.

United Healthcare

Telemedicine Virtual Visits

The medical plans include a telemedicine benefit that allows you to speak to a participating doctor from home or work through your mobile device, tablet, or computer. You must use participating telemedicine providers for coverage to apply. HMO members pay a copay and HRA members pay coinsurance for virtual visits. High Deductible Health Plan members can access this benefit subject to the health plan deductible. Consider this convenient benefit for non-complex medical conditions. Benefit Summary

Vision Plan
100% of the first \$125
Then 50% of the next \$750
Calendar Year Maximum: \$500

The Importance of Preventive Vision Care

We encourage all employees to have an annual eye exam with a doctor of optometry, even if you have clear vision. When vision problems are not addressed in a timely manner, they can lead to larger health complications down the road. Eye exams can detect signs of serious health issues such as diabetes, heart disease, high blood pressure, and cancer. The American Optometric Association encourages children between the ages of 6 months and 5 years to receive an eye exam by a licensed pediatric optometrist to ensure their vision is properly developing in the early stages of life. It's particularly important for individuals over the age of 40 to receive annual eye exams when the risk of vision and other health problems increases.

Claims Administration

For most vision providers, you will be required to file the claim for reimbursement following your service and/or purchase. Please provide an itemized receipt to Simple/90 Degree Benefits for processing. Mail the receipt to Simple/90 Degree Benefits: 1325 Barksdale Blvd., Suite 300, Bossier City, LA 71111.

Monthly Premiums

Coverage Level	Monthly Vision Premiums
Employee Only	\$7.05
Employee + 1	\$12.40

Dental and Vision ID Cards

Following your enrollment, you will receive Dental ID Cards, Vision ID Cards or combined Dental and Vision ID Cards if you elect both plans. Please use these ID Cards when you obtain services from your dental and/or vision providers.

Dental and Vision Member Portal

As a Simple dental and/or Simple vision plan member, you'll receive access to a member portal. As a reminder, the dental and vision plans are administered by 90 Degree Benefits. FLEXIBLE SPENDING ACCOUNTS (FSA)

Flexible Spending Accounts (FSA)

There are two types of Flexible Spending Accounts (FSA's) available: **1) Healthcare FSA** for medical, dental, vision, pharmacy, and other related expenses and **2) Dependent Care FSA** primarily for dependent day care expenses. Consolidated Admin Services (CAS) is the administrator for your FSA plans. An FSA allows you to pay for these expenses with pre-tax dollars, saving you money. Your taxable income is reduced by your annual FSA contributions. Plus, the reimbursements are tax-free.

Healthcare Flexible Spending Account

You can contribute **up to \$3,400** during 2026 into a Healthcare FSA (minimum contribution is \$300). Eligible Healthcare FSA expenses include deductibles, copays, coinsurance, prescription drugs, over-the-counter drugs and supplies (no prescription required), dental, and vision expenses.

Dependent Care Flexible Spending Account

The Dependent Care FSA enables you to pay for certain dependent care expenses using before-tax dollars. Single individuals and married couples filing jointly may contribute **up to \$7,500** in a Dependent Care FSA for 2026. For married individuals filing separate tax returns, the **limit is \$3,750**. The minimum contribution is \$300. Eligible dependent care expenses include, but are not limited to, day care and before and after-school program fees for children up to age 13 and certain adult day care expenses for incapacitated adult dependents.

Secure FSA Member Portal and Mobile App

You'll receive access to a secure member portal to track your balance, view claims, and submit claims for reimbursement. It's important for FSA members to manage your account using the member portal.

You can also access your FSA account details through your mobile device with the Consolidated Administrative Services app. You can easily access your account details on the app and submit claims and documentation using your phone. You can also use your mobile wallet for secure payments from your FSA.

Convenient Debit Card

FSA participants receive a CAS Visa debit card to make it easy to pay for eligible services and products. When you use the card, payments are automatically withdrawn from your account. Most expenses can be validated through the card transaction, but you may need to provide receipts for certain transactions. When the debit card is not accepted by physicians or pharmacies, you are required to pay for the expense and submit a claim for reimbursement.

Retain Your Receipts

IRS regulations require appropriate documentation to ensure your claims are valid expenses. You will be asked to provide receipts as documentation for most expenses. Retain receipts and provide them promptly upon request.

Use It or Lose It

Before you enroll, you must first decide how much you would like to contribute to your accounts. It is important that you estimate your anticipated eligible expenses for the 2026 plan year at this time.

Claims must be incurred by **December 31, 2026** to be eligible for reimbursement for the 2026 plan year. You have up to 90 days following the end of the plan year to submit FSA claims for processing. The IRS requires that any unused money in your account at the end of the plan year is retained by your employer and forfeited by the employee.

2026 Plan Year

The FSA plan year for 2026 is January 1 through December 31.

Important Termination and Retirement Information

Please note if you terminate employment or retire, eligible FSA claims must be incurred prior to your benefits-end date, regardless of your FSA balance.

Portability of Voluntary Life Insurance

If you separate employment, you may port your voluntary life insurance coverage and remit premiums directly to Lincoln Financial if certain conditions apply. It is important that you apply for portability within 30 days of your employment separation.

Whole Life Insurance

Unum's portable Whole Life insurance addresses varying employee needs for permanent life insurance and peace of mind for a lifetime, since you can keep Whole Life Insurance as long as you want. Once you've bought coverage, your cost won't increase as you age. The benefit amount stays the same as well and doesn't decrease as you get older. That means you get protection during your working years and into retirement. Whole Life Insurance also builds cash value at a guaranteed rate. You can borrow from that cash value, or you can buy a smaller, paid-up policy with no more premiums due.

Living Benefit

You may request an early payout of your policy's death benefit (up to \$150,000 maximum) if you're diagnosed with a terminal illness and are expected to live 12 months or less. It can help cover costs while you're still alive. The payout would reduce the benefit paid upon death.

Why You Should Buy Coverage as a New Employee

- It's more affordable when you're younger. Once you've bought coverage, your cost stays the same as long as you keep it.
- The cost is conveniently deducted from your paycheck. If you leave employment, you can keep this coverage and be direct billed.
- Whole life gives you valuable protection in addition to any term life insurance you might have. It is available for spouses and children even if you don't purchase coverage for yourself.

Guarantee Issue Amounts

As a new employee, you may elect up to the Guarantee Issue with no medical questions. The Guarantee Issue for employee coverage is \$50,000 and the Guarantee Issue for spouse coverage is \$15,000.

Coverage Options

Employee	\$15,000, \$30,000, \$40,000 or \$50,000
Spouse (Ages 17-80)	\$10,000, \$15,000 or \$20,000
Children	\$10,000 or \$15,000 per child

Enrollment Process

Enrollment can be completed on the Unum Whole Life enrollment portal. During your voluntary benefit enrollment, a benefit tile is available that includes a link to your customized enrollment. You will need your name, last four of your SSN, and date of birth to register.

How does it work?

You can keep Whole Life Insurance as long as you want. Once you've bought coverage, your cost won't increase as you age. The benefit amount stays the same, too — it doesn't decrease as you get older. That means you get protection during your working years and into retirement.

Whole Life Insurance also builds cash value at a guaranteed rate of 3.75%.* You can borrow from that cash value, or you can buy a smaller, paid-up policy — with no more premiums due.

Disability Insurance

Disability coverage provides an income replacement benefit in the event you are unable to work due to an accident or illness. When reviewing your benefit options, it is recommended that you consider how long you would be able to pay your bills without a continuous income should you be unable to work. Short Term Disability provides an income replacement benefit for a short period of time, up to 11 weeks after a 14-day waiting period. If you remain disabled and unable to work upon Short Term Disability exhaustion, Long Term Disability would begin on the 91st day of disability and continue to age 65 should you remain disabled.

The Short Term Disability and Long Term Disability plans have a pre-existing conditions exclusion for disabilities that begin in the first 12 months of your coverage. A pre-existing condition is one for which you have received medical treatment, consultation, or services, including prescription drugs, in the 3 months prior to your effective date. Once you have been covered for 12 months, no limitation applies.

Accident Insurance

Accidents result in unexpected expenses, and often necessary medical care. To help, we offer an accident benefit, insured by Lincoln Financial Group. If you have an unexpected injury that results in medical treatment, the accident plan provides a benefit according to a schedule. The plan includes benefits for many kinds of medical treatment – such as hospital admission, office visits, therapy, and x-rays. The accident plan also pays a benefit depending on the specific type of injury, as well as an Accidental Death and Dismemberment benefit. If your child is injured as a result of an organized sporting activity, the plan pays an additional benefit.

Consider this benefit when completing your medical plan election for 2026. You may want to consider a higher deductible on your health plan if you have the accident benefit to provide financial protection from something unexpected.

- There might be a limit on how much this policy will pay each year.
- This policy is a fixed indemnity policy and is not substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

The Ware County Schools retirement program is comprised of either the Teachers Retirement System (TRS) or the Public School Employees Retirement System (PSERS), in addition to supplemental 457(b) and 403(b) plans.

Teachers Retirement System (TRS)

The following personnel are required to participate in TRS, a state retirement plan: certified teacher, administrator, clerical staff, paraprofessional, lead custodian, supervisor, and school nutrition manager. Your TRS account is funded by you and the district. Employees contribute 6% of earnings and the district contributes 21.91% of earnings. Employees are vested after 10 years of service.

Public School Employees Retirement System (PSERS)

The following personnel are required to participate in PSERS, a state retirement plan: school nutrition, transportation, maintenance, and custodial staff. The employee contribution for employees hired before July 1, 2012 is \$4 per month for 9 months (\$36 per year). For employees hired on or after July 1, 2012, it is \$10 per month for 9 months (\$90 per year). Your retirement benefit will be \$17.00 per month multiplied by your number of years of service. Employees are vested after 10 years of service.

Supplemental Retirement Plans

Ware County Schools offers a variety of voluntary retirement plans to supplement the mandatory state-sponsored TRS and PSERS plans. We encourage all employees to consider participating in a voluntary retirement plan to help adequately financially prepare for retirement. To learn more and/or open an account, please contact one of our recommended retirement plan advisors. The contact information is available on page 18.

Retirement Plan Administrator

The 403(b) and 457(b) plans are administered by U.S. Omni & TSACG Compliance Services (<https://www.tsacg.com>). This organization assists with certain retirement plan actions such as loans and surrenders. However, for ongoing service items during the year, please work with your specific retirement plan advisor.

State Health Benefit Plan (SHBP) Retirement Note

In order to continue your SHBP coverage as a retiree, you and any dependents you wish to cover must be enrolled in the plan at the time you retire. If you are not enrolled in SHBP and wish to carry coverage as a retiree, you will need to enroll during Open Enrollment the year prior to your retirement. Please refer to the Retiree Decision Guide for additional information regarding your SHBP coverage and retiree options. More information is available here: <https://shbp.georgia.gov/>.
