

# Dental or Vision Coverage

PREPARING FOR January 1, 2026

## What to Expect from Your New Coverage and 90 Degree Benefits Team!

### Your New ID Card

ID cards will arrive at your home in mid-January.

Your ID card will have your dental and vision information for verification of coverage. It will list the Employee's name as the policyholder and the coverage level (Employee Only, Family, etc.). Dependents coverage is verified under the policyholder.

- If you have Employee Only coverage, you will receive one ID card.
- If you have covered dependents, you will receive two ID cards.
- Additional cards can be requested on the Member Portal or by contacting our Patient Advocate Team.
- It is important to present your new ID card to your providers upon receiving treatment and services.

It is important for your doctor's office to contact 90 Degree Benefits to verify your coverage. The phone number is listed on the back of your ID card. That number is (855) 502-7223.
