Note: This list is not meant to be all-inclusive, as other expenses not specifically mentioned may also qualify. Also, expenses marked with an asterisk (*) are "potentially eligible expenses" that require a Note of Medical Necessity from your health care provider to qualify for reimbursement. For additional information, check your Summary Plan Document or contact your Plan Administrator.

Please Note: Currently, the IRS does NOT allow the following expenses to be reimbursed under Health Care FSAs or HRAs, as they are not prescribed by a physician for a specific ailment.
